

TO MINIMIZE PUBLIC HEALTH RISKS

YOU WILL NOT BE ELIGIBLE TO ATTEND THE MOSQUE IF,

AS OF THE DAY OF YOUR PLANNED ATTENDANCE:

1. You have been in contact with a person with confirmed or suspected COVID 19 case in the last 14 days, through your work setting or in your households.

2. You or any of your household member experience any COVID 19 symptoms during the last 14 days (*i.e. new or worsening cough, headache, fatigue or weakness, difficulty breathing, fever, muscle aches, sinus congestion, altered sense of smell or taste, abdominal pain, nausea, vomiting or diarrhea*)

3. You have traveled outside the province in the last 14 days, have been directed by a health authority to self-isolate or had a close contact with a person who has recently returned to the province

4. You are in a high-risk group (*i.e. heart disease, high blood pressure, diabetes, lung disease, kidney disease, liver disease, weak immune system due to transplant, cancer treatment or medication*)

5. You are younger than 12 years old.

(*) If you are over 60 or have an underlying medical condition, other than specified above, you should consider delaying your return to the mosque.
